A NEW ERA

River City Squash Inc is a new entity that is co-ordinated by Squash Players and Court Owners together, to provide a balanced and focused approach to the current requirements of all the squash fraternity as a whole.

Our aim is to evolve squash into a transparent body that anyone who has an interest in squash can become involved in, or express your view.

We will keep the competition fees at the current levels and not increase these in the current economic conditions.

We have the latest innovative software program - SQUASHPLAYERSZONE - that encompasses competition results, competition draws, tournaments, individual ratings, etc for all levels of squash.

We invite all Brisbane Centres to submit teams to River City Squash Inc. Teams must be entered by the 6th of March 2009.
For more information go to the website www.rivercitysquash.com.au

River City Squash Inc is being proactive and will have a fully functioning squash judiciary, squash refereeing seminars and squash coaching.

We have feed back forums for you the player, to be able to give ideas and feedback for implementation in future competitions.

If we all work together harmoniously we can bring squash back to the glory days of old.
