Knock out event, \$20 Entry. Player A has to organise match played over a longer time period. 1 month to complete each round beginning mid year and last 2-3 rounds to be played out on a final day along with other club awards?

You need to get all prem players to play to make it a really tournament. No point having one stand out player like Nathan if josh and Robbie don't play. That's what we won't to see, at the end of the day the best two players bashing it out. ??
